Subject East Mountain Owners Association - Winter Storm Event

Attachments
- Snow Removal Guidelines.pdf → on the site as **2023-02-22-snow-removal-guidelines.pdf**

Dear
Owner,

With
the current snow/ice storm and Winter Storm Warning in effect, we ask for your patience as your snow removal contractor gets to your community. The contractor will be to the association property as soon as they can, given the circumstances, conditions, and wide severity of this storm. It may take extra time for snow removal on your roads and sidewalks to be completed today.

If
you have to be out and about, please use extreme caution in these conditions.

We
appreciate your patience and understanding regarding delayed services.

Sincerely,

(801) 256-0465 | www.hoaliving.com

Saved from David McLaughlin's email on November 4, 2026 for the East Mountain HOA site. Owner names in greetings, account numbers and private email addresses are removed.
