Dear Board Members,

Congratulations on your new assignment and your willingness to serve. We need to pick a day to hold our first monthly meeting. I was thinking either the first or second week in November. Either the 4th or 5th or the 10th, 11th, or 12th. Maybe around 7:30? We need to appoint officers and set a calendar for future meetings. Is there a time or day that works for everyone? We can do it in person or a Google meeting. Give me some feedback so we can move forward. Once again, thank you.

Jim
